Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO Form 1449. To the best of the undersigned's knowledge, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application. Accordingly, Applicants do not believe that a fee is due for filing this paper.

The listed documents were cited in an International Search Report (ISR) dated January 27, 2004 and International Preliminary Examination Report (IPER) dated June 7, 2004 in the corresponding PCT international application from which this application is a national stage. A copy of the ISR and IPER are enclosed for the Examiner's consideration. Copies of the listed documents are attached.

The following documents are in a language other than English:

- (a) Japanese Laid-Open Patent No. 53-036004. The relevance of this document can be understood from the ISR, the IPER, the English-language abstract, and the figures therein.
- (b) Japanese Laid-Open Patent No. 53-036005. The relevance of this document can be understood from the ISR, the IPER, the English-language abstract, and the figures therein.
- (c) Japanese Laid-Open Patent No. 6-287952 A. The relevance of this document can be understood from the discussion at pages 1-4 of the present application, the English-language abstract, and the figures therein.
- (d) Japanese Laid-Open Patent No. 2003-130006 A. The relevance of this document can be understood from the discussion at pages 1-4 of the present application, the English-language abstract and the figures therein.
- (e) Japanese Laid-Open Patent No. 60-121503. The relevance of this document can be understood from the ISR, the English-language specification, and the figures therein.
- (f) Japanese Laid-Open Patent No. 60-159464. The relevance of this document can be understood from the ISR, the English-language abstract, and the figures therein.
- (g) PCT Patent Publication No. WO 03/036100. The relevance of this document can be understood from the ISR, the English-language abstract and the figures therein.
- (h) PCT Patent Publication No. WO 84/03127. The relevance of this document can be understood from the ISR, the English-language abstract and the figures therein.
- (i) Itoh et al article. The relevance of this document can be understood from the ISR and the figures therein.

Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and do not constitute an admission that the listed documents are material or constitute "Prior Art." If

it should be determined that any of the listed documents do not constitute "Prior Art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of any such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should any of the documents be applied against the claims of the present application.

**Except** for issue fees payable under 37 C.F.R. §1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. §§1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-0310. This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSION OF TIME** in accordance with 37 C.F.R. §1.136(a)(3).

Respectfully submitted,

**MORGAN, LEWIS & BOCKIUS LLP**
